

OLD TOWN BAKERY

Covid-19 Safety Plan

We'd like to assure you of our current efforts to prevent the spread of Covid-19.

- Masks are mandatory for all customers and staff members while inside the premises
- We have added additional services such as online ordering, this will ease line up congestion and allow for outdoor contactless pickup
- Clear signage and physical distancing markers have been laid out to help direct and keep patrons apart
- We have heightened our already thorough cleaning procedures and increased regular cleanings of commonly used surfaces and equipment
- Staff members have been trained and directed on proper hygiene and sanitation requirements
- We have decreased the number of staff and patrons allowed in the building to ensure we maintain our physical distance
- Patrons and staff may not enter the premises if experiencing any symptoms of Covid-19
- Staff members must follow self-isolation protocols recommended by the Provincial Health Authority if any symptoms of the virus or potential contact has occurred
